MAA LAW ENFORCEMENT ACADEMY NEW ENGLAND

MEMORANDUM

TO: Parents and guardians of MAA Cadets

FROM: LT David I. Hull, NSCC
Commanding Officer, MAA Law Enforcement Academy New England

DATE: 15 March 2007

RE: Various items parents should be aware of...

1. Waivers

Please return to me **AS SOON AS POSSIBLE** all of the appropriate waivers found at www.seacadets.org/maa-jag (preferably with cadet's NSCTNG001 and deposit). I apologize for the volume of paperwork, but these forms are necessary to secure the cooperation of the various individuals, agencies, and commands involved in this training.

2. Status of the training

Due to the present world situation, this training could be cancelled at ANY time, up to and including 04AUG07. There is an extremely remote possibility that we may even be required to leave the base during the training itself. As a precaution, please be available (or provide emergency contact information for someone who will be available) to make emergency travel arrangements.

Updated information will be posted on www.seacadets.org/maa-jag/. Please check this site often for updates prior to the training.

3. Travel itinerary

Please also return to me the Travel Itinerary for all cadets, whether they are traveling by privately-owned vehicle, plane, train, bus, or taxi. If a cadet does not arrive at the specified time on 05AUG07, I need to be able to call the appropriate persons or company to find out why the cadet has been delayed.

Cadets who have traveled on their own will be required to call home as soon as they arrive at the barracks. Expect to hear from them at that time, and please be sure to provide them with numbers at which you can be reached.

4. BDUs

At least one set of BDUs is required for each Cadet (BDU blouse, trousers, 8-point cover, brown undershirts, black combat boots). All BDUs **MUST** be marked with the appropriate NSCC insignia:

Available through your home unit/ NSCC Ship's Store:

- olive drab flashes on the sleeves of the blouse
- an olive drab flash on the cover (either the special BDU cover flash or left sleeve flash)
- See Action Letter 08-05, Section 1, ¶ G for guidance

Available through your home unit, Army/Navy suppliers, or www.1800nametape.com/usnsc.htm:

- olive drab "USNSCC" tape above the left breast pocket of the blouse
- olive drab name tape above the right breast pocket of the blouse
- olive drab name tape above the back right pocket of the trousers

5. Contact information

If there is an emergency, LT Hull can be contacted 24/7 at (617) 549 8368. Please do not use that number, however, unless there is truly an emergency...

6. Graduation

Graduation will be held at Perry Hall (Bldg 440 – Command Leadership School) at 1100 on Saturday 11 August 2007. When arriving on base, follow the same directions and bring the same items to the Pass Office at Gate 1 to obtain your temporary pass as you did when you dropped off your Cadet. Inform the Pass Office personnel that you are attending the graduation of your Cadet at Perry Hall. Parking is provided at Perry hall. You may bring anyone who is interested in attending. Photography is encouraged.

MEMORANDUM

TO: JAG & MAA New England Cadets traveling by air/train/bus

FROM: LT David I. Hull, NSCC
Commanding Officer, JAG Legal Academy and MAA Law Enforcement Academy New England

RE: Special Instructions

Cadets who are traveling to Naval Station Newport by personal vehicle may disregard this memo.

**CADETS MUST PROVIDE THEIR OWN TRANSPORTATION
TO AND FROM THE BASE.**

- Unfortunately, we do not have the resources to transport cadets from the airports, train, or bus stations in the area.
- Cadets traveling by air/train/bus must plan to arrive *on the base* between 1000 and 1700 on 05AUG07. This a narrow window, but it has been requested by the Security office.
- Cadets should arrange to have their transportation leave sufficiently late on 11AUG07 to allow them to attend graduation (which will end at approximately 12pm), get a taxi at the front gate, and travel from the base to the embarking point.
- If traveling by air, please purchase **REFUNDABLE** airline tickets; there is always a possibility that between now and 05AUG07 this training will be cancelled or the dates changed (again).
- All cadets should return the Travel Itinerary (w/waivers), but it is especially urgent that any cadet traveling by air/train/bus do so. This will allow the staff of JAG/MAA NE to keep track of cadets during their travels.
- Please make sure that cadets have enough money for a taxi to and from their destination, as well as some spare emergency cash.
- Cadets who travel by air/train/bus will be required to call home as soon as they arrive in the barracks. Expect a phone call at that time, and be sure to provide phone numbers at which you can be reached.
- Cadets MAY NOT travel in uniform on airplanes, trains, or buses.
- *T. F. Green Airport* in Providence, RI (888-268-7222, www.pvdairport.com) is the nearest airport to Naval Station Newport. Airline services include American (800-433-7300, www.aa.com); Continental (800-525-0280, www.continental.com); Delta (800-221-1212, www.delta.com); Northwest (800-225-2525, www.nwa.com); Southwest (800-435-9792, www.iflyswa.com); United (800-241-6522, www.ual.com); and USAIR (800-428-4322, www.usairways.com).
- *Cozy Cab* operates a shuttle from T. F. Green Airport directly to Naval Station Newport. Departures from the airport vary with the season; to obtain current schedule information and reservations, call 800-846-1502 or 401-846-1500/2500. The shuttle service is about \$20.00 each way, gratuity not included. Cozy Cab will only accept payment in cash. The drive from the airport is approximately 30-40 minutes depending on traffic and weather conditions.
